

ENTREPRENEUR/STUDENT

Anmol Kafle

I am a highly motivated and ambitious individual with a strong background in finance. Although I recently dropped out of my bachelor's degree in finance, I am eager to utilize my knowledge and skills to contribute to the success of an organization. Despite my current unemployment status, I have a keen eye for detail, exceptional analytical abilities, and a deep understanding of financial concepts. I am confident that my passion for finance, coupled with my strong work ethic, will make me a valuable asset to any team. However, due to my passion for entrepreneurship and my family's involvement in a small home-based pickle business, I have decided to pursue my entrepreneurial aspirations and contribute to our family business.

ACHIEVEMENTS

Successful Entrepreneurship

Started a small home-based pickle business in collaboration with family, which has grown steadily and gained a loyal customer base, generating consistent revenue and profits.

Stock Trading Profits

Achieved consistent profits through skillful stock trading, utilizing technical analysis, risk management, and portfolio optimization strategies.

EXPERIENCE

Stock Trader

Nepal Stock Market Pvt.Ltd / Kathmandu / June, 2019 - January, 2021

As a stock trader, I gained practical experience in analyzing market trends, conducting research on various stocks, and making informed investment decisions. I developed skills in technical analysis, risk management, and portfolio optimization, which allowed me to achieve consistent profits and contribute to the company's growth.

Entrepreneurship

Family Business / Kakarbitta / February, 2021 - Present

In collaboration with my family, I initiated a small home-based pickle business. I have been responsible for overseeing the production process, managing inventory, maintaining quality control, and marketing our products. Through this experience, I have honed my entrepreneurial skills, including business planning, financial management, and customer relationship management.

TRAINING/CERTIFICATIONS

Stock Trading Training

Nepal Stock Trading Association / 2016

Completed various online courses and workshops on stock trading, technical analysis, and risk management, enhancing my skills in analyzing market trends, making informed investment decisions, and managing portfolio risk.

Computer Skills Training

ITC / 2015

Acquired proficiency in using MS Office (Word, Excel, PowerPoint) through online courses and workshops, enhancing my data analysis, financial reporting, and documentation skills.

EDUCATION

Bachelor's Degree in Finance (Dropped Out)

Tribhuvan University / Kathmandu / September, 2016 - April, 2019

Although I did not complete my bachelor's degree in finance, I gained valuable knowledge and skills related to financial management, investment strategies, and risk assessment during my time at TU. Despite not obtaining the degree, I am confident in my understanding of finance and my ability to apply it in real-world scenarios.

Higher Secondary Education Board

New Himalayan Bidyamandir / Kathmandu / April, 2013 - August, 2015

During my higher secondary education, I developed a strong foundation in subjects such as mathematics, accounting, and economics, which laid the groundwork for my interest in finance. I excelled in my studies and received high grades, showcasing my dedication and aptitude for learning.

School Leaving Certificate Examination

Shree Nawajiban Higher Secondary School / Sarlahi / May, 2001 - December, 2011

During my school years, I received a comprehensive education that included a wide range of subjects, including mathematics, science, English, and social studies. I was actively involved in extracurricular activities such as debating, sports, and community service, which helped me develop excellent communication, leadership, and teamwork skills.
